Chapters 118 and 120 Wis. Stats.

0122 **Board Powers** - The power of this Board extends to those matters expressly or implicitly granted by constitution, statute, local charter or ordinance, or other law, including the power to do all things reasonable to promote the cause of education.

120.13 Wis. Stats.

0123 **Philosophy of the Board** - A school board is a legal entity for providing a system of public education within a geographic area of the State of Wisconsin. The system was created by and is governed by state statutes. Members of a school board are chosen by citizens to represent them and the state in the governance of the local schools.

The Board has the dual responsibility for implementing statutory requirements pertaining to public education and for meeting the desires of residents. While the Board has an obligation to determine and assess citizen desires, it is understood that when the voters elect delegates to represent them in the conduct of specified educational programs, they at the same time are endowed with the authority to exercise their best judgment in determining policies, making decisions, and approving procedures for carrying out the responsibility.

The Board declares and thereby reaffirms its intent to

- A. maintain two-way communications with citizens of the District; *(The Board shall keep citizens informed of the progress and problems of the District, and the citizens shall be urged to bring their aspirations and concerns about the District to the attention of the Board.)*
- B. establish policies and make decisions on the basis of declared educational philosophy and goals; and
- C. act as a truly non-partisan representative body for citizens in all matters related to programs and operations. *(The Board recognizes that ultimate responsibility for public education rests with the state, but the Board has been assigned specific authority through statute, and the Board shall not relinquish or fail to exercise that authority.)*

Technical corrections are those corrections to policy language or construction that do not reflect a policy decision or substantive consideration by the Board, such as corrections of a typographical or grammatical error, inclusion or correction of a statutory citation, re-numbering of sections, combining of policies, or similar actions.

Revised 10/16/2017

0143 **Authority** - Individual members of the Board do not possess the powers that reside for the Board. The Board speaks through its minutes and not through its individual members. An act of the Board shall not be valid unless approved at an official meeting by at least a majority vote of the members present or as otherwise may be required by law.

0143.1 **Public Expression of Board Members** - The Board President functions as the official spokesperson for the Board. From time-to-time, however, individual Board members make public statements on school matters to local media, on social media, and/or to local and/or state officials.

Sometimes the public statements by Board members imply or the readers (listeners) infer that the opinions expressed or statements made by an individual Board member are the official positions of the entire Board. The misunderstandings that can result from these incidents may cause issues for the individual Board member and the entire Board, as well as for the District. Therefore, Board members should, when writing or speaking on school matters through social media or when writing or speaking with the local media, with legislators, or with other officials, make it clear that their views do not necessarily reflect the views of the entire Board or of their colleagues on the Board.

This bylaw shall apply to all statements and/or writings by individual Board members not explicitly sanctioned by a majority of its members, except as follows:

- A. Correspondence such as legislative proposals when the Board member has received official guidance from the Board on the matters discussed in the letter.
- B. Routine, not for publication correspondence of the Superintendent and other Board employees.
- C. Routine "thank you" letters of the Board.
- D. Statements by Board members on non-school matters, providing the statements do not identify the author as a member of the Board.

E. Personal statements not intended for publication.

Copies of this bylaw may be sent annually to local media by the Board President.

Revised 10/16/2017

0144 **Operations**

0144.1 **Compensation** - As approved by the electors at an annual meeting, Board members shall receive an annual salary or other amount for each Board meeting they have actually attended, unless the member has provided timely annual notice of refusal to accept the salary. The timely annual notice must be provided prior to taking the oath of office and performing any service for the initial year of election or appointment, and may be renewed for subsequent years by notice of at least thirty (30) days prior to the member's taxable year; unless statutory exceptions apply.

Expenses of a Board member when authorized by the annual meeting shall be reimbursed when incurred in the performance of his/her duties or in the performance of functions authorized by the Board and duly vouchered.

The following guidelines have been established by the Board to ensure appropriate and proper reimbursement of expenses for Board members:

- B. recognize that they should endeavor to make policy decisions only after full discussion at publicly held Board meetings;
- C. render all decisions based on the available facts and independent judgment, and refuse to surrender that judgment to individuals or special interest groups;
- D. encourage the free expression of opinion by all Board members, and seek systematic communications between the Board and students, staff, and all elements of the community;
- E. work with the other Board members to establish effective Board policies and to delegate authority for the administration of the District to the Superintendent;
- F. communicate to other Board members and the Superintendent expressions of public reaction to Board policies and school programs;

- A. no Board member shall use his/her position as a Board member to obtain financial gain for himself/herself, his/her immediate family, or any organization with which he/she is associated;
- B. no Board member shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities in the school system and as a public officer; and,
- C. when a member of the Board determines that the possibility of a personal interest conflict exists, he/she should, prior to the matter being considered, disclose his/her interest (such disclosure shall become a matter of record in the minutes of the Board), and thereafter shall abstain from participation in both the discussion of the matter and the vote thereon.

0144.4 **Indemnification** - The Board may hold harmless, indemnify, pay, settle, or compromise a judgment against a Board member to the extent allowed under the law.

Sexual and Other Forms of Harassment - The Board believes that sexual or other forms of offensive speech and conduct are wholly inappropriate to the harmonious relationships necessary to the operation of the District and intolerable in an environment in which students and staff members of the District function.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature whenever submission to such conduct is made a condition of employment or a basis for an employment decision; or when such conduct has the purpose or effect of unreasonably interfering with work performance or creating an intimidating, hostile, or offensive working environment. Other forms of harassment include verbal or nonverbal expression related to race, gender, age, religion, disability, pregnancy, or sexual orientation.

Substantial interference with a person/employee's work performance or creation of an intimidating, hostile, or offensive work environment is established when the conduct is such that a reasonable person under the same circumstances as the person/employee would consider the Board of Education conduct sufficiently severe or pervasive so as to interfere substantially with the person's work performance or create an intimidating, hostile, or offensive work environment.

113.36 (1) Wis. Stats.

The harassment of a District staff member, student, or another Board member by a member of the Board is strictly forbidden. Any Board member who is found to have harassed a member of the staff, a student, or another Board member will be subject to discipline by the Board and may be reported to law enforcement authorities.

MEETINGS
(Adopted 11/18/2002)

0161 **Parliamentary Authority** - The parliamentary authority governing the Board shall be Robert's Rules of Order, Newly Revised, as defined in Chapter XVI, "Boards and Committees", in all cases in which it is not inconsistent with statute, administrative code, or these bylaws, or the rules of order of the Board.

The following shall be the rules of order for the Board:

- A. With the quorum being present precisely at the hour to which the Board stands assembled, the President shall take the chair, call the members to order, and proceed to business.
- B. Should a quorum be assembled at the hour appointed and the President is absent, the Vice-President or a President Pro Tem shall serve during that meeting or until the President shall appear.
- C. Should a quorum not assemble at the hour appointed, the member or members present shall be competent to adjourn from time-to-time so that an opportunity may be given for a quorum to assemble. Without a quorum, no business can be legally transacted.

In the transaction of business, the following order shall be observed:

1. Recording the names of members present
 2. Approving the Minutes
 3. Board President's Report/Superintendent's Report/Committee Reports
 4. Citizens and Delegations
 5. Action Items
 6. Discussion and/or Action Items
 7. Discussion and Report Items
 8. Adjournment
- D. When action is requested of the Board, the following sequence of events is to be generally followed:
1. Superintendent gives background information and recommendation
 2. Motion from a board member - second from a board member
 3. Questions and comments from board members to:
 - A. Superintendent
 - B. Other Board Members

4. Questions and comments from Board President
 5. Questions and comments from citizens and delegations
 6. Second round of questions and comments from Board Members
 7. Questions and comments from Board President
 8. Vote
- D. It shall be the duty of the President at all times to preserve order and to endeavor to conduct all business before the Board with propriety and dispatch.
 - E. The President, as such, has no casting vote. The President's right is to vote on every question by virtue of his/her membership. Order of voting shall be in the order of the most senior member to the least senior member, except the President shall vote last.
 - F. The President may speak to points of order in preference to other members and shall decide questions of order subject to an appeal to the Board moved, seconded, and approved by a majority of members present.
 - G. A motion made must be seconded and then repeated distinctly by the President or read aloud before it is debated, and every motion shall be reduced to writing.
 - H. Any member who shall have made a motion shall have liberty to withdraw it before any debate has taken place thereon, but not after debate is had without leave being granted by the Board.
 - I. The consideration of any question may be postponed to a time fixed or the question may be suppressed altogether by an indefinite postponement. If a matter is postponed indefinitely it can be introduced as new business at a later meeting.
 - J. A motion once voted down cannot be renewed at the same meeting of the Board without the consent of a majority of the members of the Board.
 - K. An amendment may be moved on any motion and shall be decided before the original motion, but not more than one (1) amendment to an amendment shall be entertained.
 - L. If a motion under debate is composed of two (2) or more parts, which are so far independent of each other as to be susceptible to division into several questions, any two (2) members may have it divided and a vote taken on each part.
 - M. When any business is brought regularly before the Board, the consideration of the same cannot be interrupted except by a motion for adjournment, to lie on the table, for the previous question, for postponement, for commitment, or for amendment.
 - N. A motion for adjournment shall always be in order and shall be decided without debate except that it cannot be entertained when the Board is voting on another question or while a member is addressing the Board. The motion to adjourn, while being un-debatable, does not prevent the assembly from being informed of business requiring attention before adjournment.
 - O. The previous question cannot be moved by less than two (2) members rising for that purpose and adoption by a two-thirds (2/3) vote and when thus called, all debate shall be precluded. Yet the call for the previous question shall not cut off any pending amendment, but the vote shall be taken without debate on the amendments in their order and finally on the main question.

- P. A motion for reconsideration can only be entertained when made and seconded by members who were in the majority of the vote on the original question. Such motion can only be made on the same day or the next calendar day.
- Q. A motion to rescind an action, when properly noticed, can take place at any time and requires a majority vote.
- R. No member shall be interrupted while speaking unless he/she is out of order, or for the purpose of correcting mistakes or misrepresentations.
- S. No member in the course of debate shall be allowed to indulge in personal reflections.
- T. If any member acts in any respect in a disorderly manner, it shall be the privilege of any member and the duty of the President to call him/her to order.
- U. If any member considers himself/herself aggrieved by a decision of the Chair, it shall be his/her privilege to appeal to the Board and the vote on such appeal shall be taken without debate.
- V. Members should not decline to vote on any question without weighty reasons. Those reasons should be stated at the time of the abstention.
- W. When the President has commenced taking a vote, no further debate or remark shall be admitted, unless there has evidently been some mistake. In this case, the mistake shall be rectified and the President shall recommence taking the vote.
- X. The first person recognized by the President as desiring to speak has the right to the floor.
- Y. Members need not rise in order to obtain the floor.
- Z. The Chairman of the meeting may allow informal discussion of a subject while no motion is pending.
- AA. The Chairman may speak in a discussion without rising or leaving the chair.

Except as provided above or by state statute, Board meetings will be conducted under Robert's Rules of Order—Newly Revised.

0162 **Quorum** - Five (5) members present at a meeting shall constitute a quorum, and no business shall be conducted in the absence of a quorum.

Two (2) forms of a quorum should be avoided.

- A. "Negative Quorum: - A gathering of less than one-half (1/2) of the members of the board may be a meeting if that group possesses the power to defeat action taken by the Board of Education.
- B. "Walking Quorum" - Less than one-half (1/2) of the members of the board gathered together may constitute a meeting if it is one (1) of a series of meetings through which agreement on an issue is reached. A series of e--mail messages, phone calls, or other communications between board members could be a "meeting" or "walking quorum" because, while the board members have not physically convened, they can effectively communicate and exercise the authority otherwise vested in the board.

0163 **Presiding Officer** - The President shall preside at all meetings of the Board. In the absence, disability, or disqualification of the President, the Vice-President shall act instead. If neither person is available, any member shall be designated by a plurality of those present to preside. The act of any person so designated shall be legal and binding. The notice shall contain the name and address of the District and its

telephone number. The notice shall be given at least twenty-four (24) hours prior to the meeting unless for good cause such notice is impractical, but in no case may the notice be less than two (2) hours in advance of the meeting.

Revised 10/16/2017

0166 **Agenda** - The Superintendent shall prepare and submit an agenda to each Board member prior to each regular meeting and each special meeting, unless otherwise directed by the Board. The agenda shall list the various matters to come before the Board and shall serve as a guide for the order of procedure for the meeting. Individual Board members may include items on the agenda upon the concurrence of the Board President. The level of specificity of the description of subject matter for discussion shall be determined considering the following: (1) the time and effort required to provide detailed notice; (2) the level of public interest in the particular subject; and, (3) whether the meeting will involve routine or novel issues.

The agenda of the regular monthly meeting or special meetings shall be accompanied by a report from the Superintendent on information relating to the District with such recommendations as he/she shall make.

0175.1 **School Board Conferences, Conventions, and Workshops** - The Board recognizes the value of membership and attendance at conferences and meetings at the local, county, state, and national level.

The Board believes that training for its members is vital in order for the Board to appropriately carry out its responsibilities in the most informed and prudent manner possible. Informed decision-making grows more important as school governance becomes increasingly complex.

In keeping with this position, the Board encourages the participation of its members at Board meeting, seminars, conventions or workshops, and locally organized training programs.

Conference, convention, and other training expenses shall be budgeted for on an annual basis by the Board. The Board establishes the following guidelines for the approval of Board reimbursed training:

- A. In-State Conventions - Any Board members may attend relevant in-state meetings, seminars, conventions, and workshops.

- B. National Conventions
 - 1. To be eligible for consideration, a Board member must have attended a Wisconsin Association of School Board State Convention during the prior five (5) years.

 - 2. No more than two (2) Board members may attend any single out-of-state meeting, seminar, convention or workshop within one (1) fiscal year.

 - 3. No individual Board member may attend more than one (1) national meeting, seminar, convention or workshop during a single fiscal year.

 - 4. When more than two (2) members apply for a national meeting, seminar, convention or workshop, or when budgeted funds limit the numbers of members that may participate in the national meeting, seminar, convention or workshop, the Board President will determine who is approved to attend using the following guidelines:
 - a. First priority shall be given to those members who have not previously attended a national meeting, seminar, convention, or workshop of the type requested.

 - b. Second priority should be given to those members with the longest elapsed time since attendance at a national meeting, seminar, convention, or workshop.

 - c. Members in the last year of their term who are not running for re-election shall not be approved to attend a national meeting, seminar, convention, or workshop.
