Completing a Registration Statement

Section 1: Candidate and Candidate Committee Information - Section 1 should be completed by candidate committees only.

- Campaign Committee Name – Any candidate that accepts a donation must have a committee. Any communication (flyers, newspaper ads, website) requires a disclaimer ‘Paid for by *Committee name*.
 - If you are seeking multiple offices (town, county, school board), or plan to seek another office in the future, you may want to consider a generic committee name without the name of the office sought such as ‘Friends of ...’, or ‘Committee to Elect ...’. This will allow you to keep the same committee name for various offices.
 - Your committee name does not have to include your last name, but including your last name makes searching for your committee easier.
 - Committee PIN Number: is any combination of numerical digits selected by the committee and is used for electronic signature purposes.

Section 2: Non-Candidate Committee Information - Section 2 should be completed by non-candidate committees only.

- Committee PIN Number: is any combination of numerical digits selected by the committee and is used for electronic signature purposes.
- A. Political Party Committee
 - To use the name of one of the recognized political parties in Wisconsin – Constitution, Democratic, Libertarian, or Republican, you must have permission from the state party.

- C. Political Action Committee (PAC)
 - PACs may receive money from individuals or other PACs, and contribute money directly to candidates. PACs may not accept money from corporations.
 - Committees intending to make only independent expenditures, without contributing to or coordinating with candidate committees, should register as an Independent Expenditure Committee - see letter D below.
 - A resident committee is based in Wisconsin and must report all receipts and expenses.
 - A non-resident committee is based outside of Wisconsin and must report only expenses in Wisconsin for either local and state-level contests.
- D. Independent Expenditure Committee
 - Committees making only independent expenditures may not contribute to candidate committees directly. They also cannot coordinate with candidate committees on express advocacy – communications that explicitly urge recipients to vote for or against a candidate. These committees may accept unlimited contributions from individuals and from corporations.

Section 3. Campaign Treasurer - Section 3 should be completed by all committees.

All committees must name a treasurer. A candidate may designate any adult to serve as the committee's treasurer, or the candidate may serve as his/her own treasurer. It is important that the treasurer's name, complete address, telephone number and email address be provided on the registration statement and be kept current. **All notices and forms for campaign finance reports will be sent to this person at the address given in this section.** Failure to receive notice of the filing requirement does not exempt a candidate from the requirement to file the reports.

Item 4. Principal Officers of the Committee and Other Custodians of Books and Accounts (Optional)

If the committee has officers or other contacts besides the treasurer, they should be listed in Item 4. For a recall committee, the recall petitioner must be included here. The Ethics Commission recommends that you provide more than one person's contact information.

Item 5. Depository Information (MANDATORY)

In some cases, banks may require a completed ETHCF-1 registration form to open a bank account. Your committee may register without a bank account, but the ETHCF-1 form must be amended **within 10 days** to report any change, including new bank account information.

In general, all committees must have a campaign depository account. Please list the information for one of these two options:

1. Separate campaign account
 - This account may be used only for campaign funds
 - The bank may require an Employer Identification Number (EIN) from the IRS to open a committee account
2. Only Candidates may use a personal bank account
 - This is allowed only if the candidate is claiming the exemption from filing finance reports (under \$2,000 of receipts, under \$2,000 expenses in a calendar year)

Candidates running for more than one elected office may have more than one committee and more than one campaign depository account.

Certification

The candidate and committee treasurer must sign the original registration statement of a candidate committee certifying that the information is true, correct, and complete. For a recall committee, the recall petitioner and the treasurer must both sign. A candidate serving as his/her own treasurer only needs to sign once. Non-candidate committees require only the treasurer's signature. Amendments to the registration may be signed by either the candidate or treasurer. If there is a change in treasurer, the new treasurer should sign.

Exemption From Filing Campaign Finance Reports

All committees must file campaign finance reports, unless they check the box to claim exemption and remain within those limits.

- A committee not collecting or spending more than \$2,000 total in a calendar year.
- Candidate committees and Party Committees must register before collecting or spending any money, but those committees may not have to file reports if they claim exemption.
- PACs and IECs do not have to register until they collect or spend more than \$2,500 in a calendar year. A PAC or IEC that is already registered, but will have limited activity for a calendar year, may claim exemption and would not have to file reports for that year.
- A referendum committee that does not collect or spend more than \$10,000 is not required to register. Because a referendum committee is unlikely to be active for multiple years, it would be rare for this type of committee to claim exemption.
- A recall committee that does not collect or spend more than \$2,000 is not required to register. A recall committee does not have to file reports unless it succeeds in forcing a recall election.

If a committee on exempt status exceeds any of the limits listed above:

- The committee must immediately file an amended ETHCF-1 with the appropriate filing officer, revoking the exempt status.
- The committee must report all campaign finance activity back to the beginning of the calendar year.

If a committee filed reports for the previous calendar year, and wishes to go on exempt status for the upcoming year, the committee must file a January Continuing report covering all activity through December 31st. Include an updated ETHCF-1 requesting exempt status for the upcoming year.

Renewing Exemption

Statute §11.0104(2) states that exemption is effective only for the calendar year it is granted. If a committee wishes to renew its exempt status, it must file the (ETHCF-14) or a new ETHCF-1 after 12/31 and before the closing date for the first reporting period for which it would be required to file a report. Candidates on the ballot that calendar year may claim exemption when they first register, or renew their exemption from the previous calendar year, but a candidate on the ballot that calendar year may not claim exemption before the date of her/his election if he/she has not been on exempt status previously. See statute §11.0104(1) (b).

Amending a Registration Statement

When any of the information reported on the registration statement changes, the statement must be amended by filing a new ETHCF-1. The candidate or treasurer must file the new ETHCF-1 within **10 days** of the change, checking the "yes" box at the top of the form to indicate that it is an amendment.
