665 COOLIDGE AVENUE  
RHINELANDER, WI 54501

**REQUEST FOR PERMISSION TO RIDE FROM  
A RHINELANDER HIGH SCHOOL ACTIVITY**

Parent/Guardian:

Wisconsin schools have been advised by the W.I.A.A. not to permit students to participate in school sponsored activities unless they are transported to and from the activity on school provided vehicles. In situations where riding home from a school sponsored activity is not possible, a written request must be made in advance and it must be approved by the activities director or principal. Schools are otherwise considered liable and responsible for the safety and actions of all students involved, from the time they leave the school until the time they return to the school.

Therefore, if it is necessary for your child to ride home from a school activity by any means other than school provided vehicles, the form below must be completed and turned in to the activities office at least 1 (one) day prior to the date of the activity.
