BECOME A GLOBAL FAMILY WITH AFS-USA!

You already know what makes Wisconsin great ... but did you know that we're also one of the top high school exchange hosting states in the country?

That means EVERY YEAR, high school students from all over the world are coming HERE, to Wisconsin, to share their culture and absorb some of our famous Midwestern lifestyle.

WE WANT YOU!

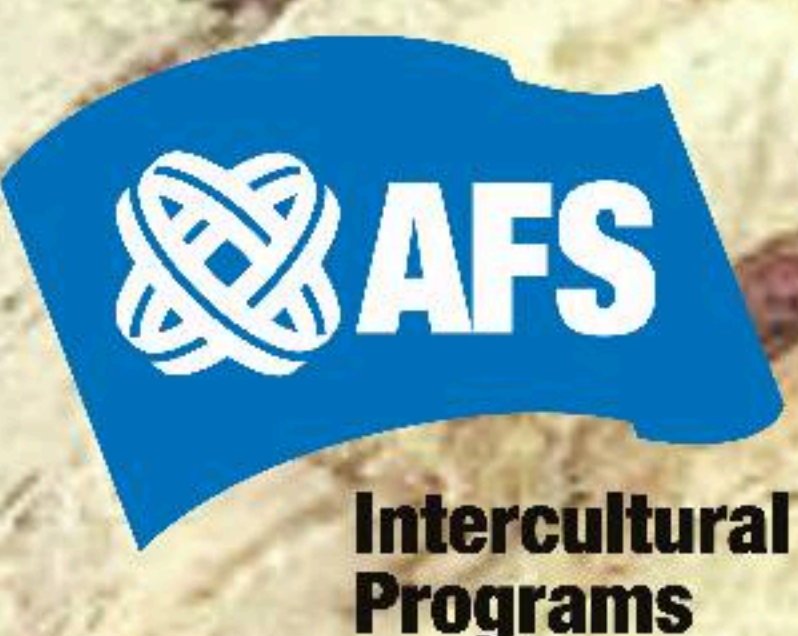

In order to have successful exchanges, We need HOST FAMILIES!

Sound complicated? It's not! The key to being a host family is a willingness to teach an international student about your home; your house, your traditions, your favorite activities ... everything that makes your family and your community special!

Host families provide a bed and meals for an incoming student and receive the full backing of AFS's extensive volunteer network to help with everything from orientations to mediation to answering every question you've got about who we are and what we do.

Each year, AFS brings more than 2200 international students to the US. We've been doing this for over 70 years and have over 4000 volunteers to help give you the best exchange experience possible.
