

CANtastic Event to be Held Again This Spring

Seeking “Build Teams”

**Build day is Saturday, March 3 at The Rouman Cinema - using the theme
“Toon” In To Hunger (cartoon characters)**

The Rhinelander Area Food Pantry and The Rounam Cinema are excited to sponsor the CANtastic event again this year. This year’s them “”**Toon” In To Hunger** was selected by last year’s build teams.

CANtastic combines the competitive spirit of a design/build competition with a unique way to help feed the hungry in our community. Competing area teams showcase their talents by designing and constructing sculptures made with donated or purchased canned or boxed goods. These creations are judged on criteria including creativity, complexity and use of color. At the close of the competition, prizes are awarded for Judges Choice, People’s Choice and Most Cans Used Following the Theme. All of the food used in the structures is donated to Rhinelander Area Food Pantry, (RAFP), for distribution.

Basic requirements are:

- Form and register a team.
- Design a structure based on the theme and gather building materials.
- Provide text about your structure, team, sponsors,etc. for publicity.
- Build your structure from food and leave it on display for two weeks.
- Debuild your structure and box food for delivery to The Pantry.

The CANtastic creations will be on display at The Rouman Cinema for two weeks following the March 3 build date to allow the public to view and judge them free.

Although some teams are already starting to plan their creations, the CANtastic Steering Committee is actively seeking more ‘build teams’ to participate in this fun community event. Competition is open to any group/organization (clubs, schools, Scouts, churches, businesses, etc.) in the Rhinelander area.
