## About CAP

The School District of Rhinelander is continuing our successful afterschool program called CAP (Central After School Program).

This program focuses on improving student achievement. Instead of adding more time to a traditional class, afterschool programs have the ability and flexibility to be creative in providing individualized learning. We create an active partnership between the parents, children, program staff and the community, based on each students' individual needs.

CAP is committed to providing safe, enriching, and enjoyable activities to all children and possesses both the experience and the expertise to deliver on its commitment.

Consider the CAP advantages, and make a choice for the very best in after school programs:

- Achievement focused program
- More structured than other afterschool programs
- Improve academic performance
- Staff hired are certified teachers
- Small class size

## Who Can Participate?

CAP welcomes any student in 4th & 5th grade in the Rhinelander community.

Parochial and home-schooled students are welcome!

Students are not required to attend every day, but are encouraged to participate as often as possible.

Please return the completed form to Central School's Building Secretary.

Central Intermediate School  
418 N. Pelham Street  
Rhinelander, WI 54501

## Cost:

Free Lunch Students - No Cost

Reduced Lunch Students - \$5 per day / \$15 per week
