Little League is the first step on the pathway of your baseball/softball adventure:

**Little League Baseball/Softball is the world's largest organized youth sports program founded in 1939 with Federal Incorporation.**

The Little League program assists in developing youth qualities of:

- Citizenship
- Discipline
- Teamwork
- Physical Well Being

By adopting the virtues of character, courage, and loyalty, the Little League Baseball/Softball program is designed to develop superior citizens rather than stellar athletes.

Plus, it is a popular life sport, which can be played and enjoyed with family, friends, and colleagues, keeping you fit for years to come.
