

Relay For Life is a community gathering where everyone can participate in the fight against cancer. Teams of people attend at a local high school, park or fairgrounds and take turns walking or running around a track or path. Each team is asked to have a representative on the track throughout the event. Relay is a memorable family-oriented, community event, open to everyone!

Relay For Life brings together millions of people worldwide to raise money to help people stay well, get well, find cures and fight back. ALL cancers, ALL people, EVERYWHERE!

When the sun goes down, hundreds of luminaria light the way under the stars to remember those lost to cancer, those fighting cancer, and those who have fought cancer and won. This ceremony of light symbolizes the hope and perseverance with which we all continue to fight the disease.

We honor our survivors with a survivor/caregiver lap whose strength and courage help the community see cancer survivorship is real- and we are making progress in the battle against cancer.

No matter who you are, there's a place for you at Relay. This family-friendly event offers activities for all ages. Join us today! To register or donate to the Relay For Life of the Northwoods, go to the event's website at:
