ARTICLE IV
EMPLOYMENT OPPORTUNITIES WITHIN THE DISTRICT

All Employee positions, which may from time to time become open within the District, shall be made available for application by the current staff. Notice of such openings will be posted on the District's computer network, and it shall be the responsibility of the Employee to apply for a position he/she may be interested in obtaining. The Administration shall direct all Employee placement decisions based on the needs of students and the District.

ARTICLE V
PROFESSIONAL LICENSURE

A. Requirements

Professional employees are required to hold a valid Wisconsin Department of Public Education (DPI) license(s) in their area(s) of teaching. Each professional employee will be responsible for his/her own license requirements and for keeping the District current by providing the Human Resource Office with a copy of his/her license. Professional development will be addressed through the District's Professional Development Plans (PDPs) and District initiatives.

Failure to meet the above-stated requirement(s) will prevent the professional employee from receiving any salary increase until he/she has obtained a valid Wisconsin DPI-approved license and a subsequent District contract has been provided to him/her.

Professional employees who do not hold a license(s) as required will be laid off or non-renewed.

B. Definition of Credits

In addition to the PDP process, the following means of accumulating credit(s) will fulfill the requirements of provision A. above, and is meant to serve as a guideline to determine applicable credits:

1. Graduate Credits:

- a. Graduate credits are those credits defined as such by accredited colleges and universities. These credits must be approved in advance by the Administration and prior to the professional employee beginning to earn such credits.
- b. Beginning July 1, 2017, payment for graduate courses will be made by the District up to an amount of \$5,000 per calendar year with a lifetime limit of \$20,000 (beginning 2/20/2017). All courses are to be approved by

administration in advance of beginning the course. The rate of reimbursement will be based on the current cost of tuition at the university that the employee attends, but shall not exceed the University of Wisconsin (Madison) rate. Failure to complete the course will result in repayment of all costs to the District.

The professional employee who leaves the District or is no longer employed by the District after completion of the course shall repay the District as follows.

Employment for:

3 full-time equivalent (FTE) years	No re-payment to District
2 FTE years	1/3 re-payment of total costs to District
1 FTE year	2/3 re-payment of total costs to District
Less than 1 FTE year	Full re-payment of total costs to District

Costs owed must be paid back to the District within 30 days of submitting a letter of resignation.

- c. Graduate credits earned prior to the start of the 2011-2012 school year, will continue to be recognized and compensated at the rate applied when they were earned. Part-time professional employees will continue to have their earned credits prorated based on their FTE.
 - d. There will be no reimbursement for credits or courses outlined in Section B or C above that have not been pre-approved by the Superintendent/designee as outlined on the District's 'Application for Approval of Credits' form.
2. Undergraduate Credits: Credits earned under this provision may be earned through accredited colleges or universities. No remuneration or payment will be made for these courses or credits.
 3. Simple In-service Credits (SIC): Professional employees may earn in-service credits in lieu of college credits through work for the District, such as curriculum development or approved workshops based on mutual agreement between the professional employee and the Superintendent/designee. Fifteen (15) hours of such work shall be equal to one (1) college credit. No remuneration will be made for these credits. However, the District may pay for the costs of the course provided it is outside the normal workday. Costs for courses taken during the workday shall be the responsibility of the professional employee.

SICs are awarded for actual hours of participation, which means those hours when the professional employee is with the presenter or in an activity resulting from and under the presenter's direction. It is not meant to include such things as registration, breaks, and meals, unless there is a program or presentation going on as part of the meal.

SICs are generally not earned when there is a cost to the District in fees, travel expense, or loss of normal working hours. Proof of attendance is always required in order to receive the credit. SICs are awarded for the following actual hours of participation:

Actual Hours of Participation	Credits
0-2.0	1/8
2.1-4.0	1/4
4.1-6.0	3/8
6.1 - 8.0	1/2
8.1 - 10.0	5/8
10.1 - 12.0	3/4
12.1 - 14.0	7/8
14.1 - 15.0	1.0

Any fraction beyond the above hours will be prorated accordingly (i.e. 20 hours - 1.375 credits).

4. Approval for Remuneration: Prior to enrollment, all graduate coursework or SICs must receive approval in advance and in writing by the Superintendent/designee as outlined on the District's 'Application for Approval of Credits' form. Approvals will be based on Section B and (B) (1) (a, b, and d) of this Article. Should an approved graduate course not be available, a professional employee may inform the Superintendent/designee, in writing, of a proposed substitution, and payment, for this will be considered at the beginning of the next term, if approved by the Superintendent/designee.

Upon completion of this leave, the Employee will be allowed to return to a position as determined by Administration. The Employee agrees to remain in the system for the equivalent of three (3) years after returning from the sabbatical.
3. Those granted sabbatical will be chosen by the Superintendent/Designee and approved by the Board. Suggested criteria for selection may be, though not be limited to, the merit of the objectives of the sabbatical, an interview with the applicant, reasonable distribution of leaves in the system, previous leaves, and needs in the system.
4. The form and degree of penalty for failure to return to the school system for the three (3) year period under the provision of Sabbatical Leave shall be repayment of all fringe benefit costs for the year of the leave to the District by the Employee. If no fringe benefit costs were incurred by the District, the Employee will owe the District \$3,000.00 for each year less than their three-year minimum requirement or a maximum penalty of \$9,000.00.

Upon return from such leave, the Professional Employee will be placed in a position as soon as one becomes available and on the salary schedule at the level he/she would have achieved had he/she been employed in the District during the period of his/her compulsory absence. A voluntary extension of the duty period beyond that which is required by law negates all aspects of this provision.

A staff member who is a volunteer fire fighter, emergency medical technician, first responder, or ambulance driver for a volunteer fire department or fire company, a public agency, or a nonprofit corporation may be late for or absent from work without pay if the lateness or absence is due to the staff member responding to an emergency that begins before the staff member is required to report to work and if the staff member complies with all of the following requirements:

The staff member will be returned to the same position upon return or if that position is no longer available, an equivalent position and he/she shall not lose any benefits

1. Written requests for leave of absence shall be made to the Superintendent/Designee as soon as possible, but at least ninety (90) days prior to the commencement of the leave.
2. If it is determined that a suitable replacement can be found, the Superintendent/Designee will grant such leave without pay.
3. Upon returning to the system and immediately following expiration of leave, the Employee shall retain all accrued benefits, excluding credit for the year on leave.

Employees are responsible for the prevention of access to any prescription medication (especially controlled substance) use by students when the medication has not been legally prescribed to students by a medical provider. However, Employees may at times be prescribed a prescription medication for health purposes and these medications may have to be taken by the Employee during the school day or while supervising students. The Employee is responsible for the medications and should not keep it on his/her person, in his/her desk, in his/her purse or carry-in bag/tote, or in any location that a student may obtain access to it. In the event an Employee needs to bring a medication to school for health purposes, it must be locked in a secure location (i.e. a file cabinet), and controlled substances are to be locked in a secure location in the school office or in the Employee's personal vehicle.

ARTICLE XVIII

The District will pay the current Internal Revenue Service (IRS) mileage rate toward driving cost when the Employee is driving a personal vehicle during school business. However, if a school-owned vehicle is available for any travel, the Employee must use a school-owned vehicle rather than his/her personal vehicle, except when the Employee is traveling in the performance of his/her contractual duties. If a school-owned vehicle is available and the Employee chooses to use his/her personal vehicle, he/she will not be reimbursed mileage costs.

ARTICLE XXII

Each professional employee of the District shall be provided an opportunity to submit information to Administration about matters affecting employment that he/she believes to be unjust. This procedure is available in the case of an employee's disagreement with discipline or termination of employment, as well as any matter relating to workplace safety. This section shall apply to all professional employees.

A. A complaint is defined as something pertaining to termination, discipline and/or workplace safety as governed by policy, and which the professional employee believes requires resolution.

The Superintendent/Designee shall give a written answer no later than fifteen (15) school days after the parties have met and discussed the complaint.

Step 3 If not settled in Step 2, the complaint may, within five (5) school days of the date of the Superintendent's/Designee's response in Step 2, be appealed in writing to an Independent Hearing Officer (IHO). Within ten (10) days of receipt of the written appeal, the Administration will select an IHO from the Board and Union-approved list of IHO's.

The IHO will discuss the matter with the complainant and Administration no later than thirty (30) school days after receipt of the written complaint. The IHO will give a written answer within fifteen (15) school days after hearing the complaint. Each party will be responsible for 50% of the IHO's costs, as determined by the invoice provided to the District by the IHO.

Step 4 If not settled in Step 3, the complaint may, within five (5) school days of the date of the IHO's response in Step 3, be appealed in writing to the Board by the Administration or complainant. The Board will hear the matter at a subsequent regularly scheduled monthly Board meeting. The Board will give a final written answer within fifteen (15) school days after hearing the complaint.

- B. For the purposes of the grievance procedure, school days in summer will include Monday through Friday, excluding holidays.
- C. If the complaint is not acted upon at any step by the designated party within the prescribed number of days, the complaint is automatically dropped.

A written complaint form, as provided in this Handbook, shall contain the name and position of the complainant, a clear and concise statement of the complaint, the issue involved, the relief sought, the date the complaint took place, the signature of the complainant, and the date on which the form was signed.

ARTICLE XXIII RETIREMENT

The Employee will pay their share of the contribution of his/her total salary into the Wisconsin Retirement System as determined by Wisconsin Law.

B. Eligibility

For the regular full-time Employee electing retirement and who holds a professional degree, is at least fifty-five (55) years of age, has taught at least fifteen (15) consecutive full-time equivalent years in the District in the work year of retirement, and is electing early retirement, the following Other Post- Employment Benefits (OPEBs) options are available:

(NOTE: The summer months immediately following the work year in which retirement was requested and prior to the 1st day of work in the succeeding calendar year will be considered part of the work year specific to employee's 55th birthday. The employee must submit their written retirement request to the Superintendent and/or designee no later than March 1st preceding the summer months to be eligible.)

Definition of "Group" as stated below:

- Group 1 - Employees with fifteen (15) or more years of service on June 30, 2014
- Group 2 - Employees with six (6) to fourteen (14) years of service on June 30, 2014
- Group 3 - Employees hired between July 1 of 2008 and July 1 of 2012
- Group 4 - Employees hired after July 1, 2012

Group 1

The Employee with fifteen (15) or more years of service on June 30, 2014 will have no change to his/her benefits. Benefits will be as follows:

Option 1

The Board shall offer life insurance and medical and hospital insurance coverage at the rate in effect at the time of the Employees retirement for eight (8) years (less the amount of the Employee's yearly health insurance contribution). If the retired Employee dies during the period when he/she is eligible to receive hospital/medical insurance benefits from the District, his/her spouse and/or dependents shall be eligible to continue to receive those benefits for the remainder of the post retirement schedule up to the rate established at the time of the Employee's retirement.

Option 2

An Employee may choose a health reimbursement account (HRA) paid by the District in the amount of his/her exit health insurance yearly premium rate (less the Employee's yearly health insurance contribution) plus the life insurance amount, plus their accumulated sick leave amount; however, the cumulative total shall not be more than twenty-eight thousand (\$28,000) per year for eight (8) years. The first quarterly payment shall be made on August 1st following the Employee's retirement and on an annual basis thereafter. The intent of the deposit is that the money will be available upon retirement for eligible expenses and premiums. The retired Employee shall be

allowed to participate in the District's health insurance plan through August 31st following his/her retirement. After August 31st, the Professional Employee is required to obtain his/her own insurance. This HRA is for qualified medical expenses of the Employee, his/her spouse, and/or his/her dependents, as determined by the IRS. If the present Employee elects this option, he/she is waiving his/her retirement benefits under Article XXIII, B., Option 1. When two (2) spouses work for the District, the Employee who received a health insurance benefit just prior to retirement will qualify for this benefit. If the retired Employee dies during the period when he/she is eligible to receive HRA benefits from the District, his/her spouse and/or dependents who are eligible shall be eligible to continue to receive those benefits for the remainder of the post retirement schedule based on the single rate for insurance as established at the time of Employee's retirement.

Group 2

Employees with six (6) to fourteen (14) years of service on June 30, 2014 will be prorated using the 2013-2014 insurance rates. For Example: A Professional Employee who has worked for the District for twelve (12) years will receive twelve fifteenths (12/15ths) of the benefits as indicated above in Group 1, Option 2. In Addition to the prorated benefits, for each year worked beyond 2014, the Employee will receive \$1,000.00 in a Health Reimbursement Account (HRA) and \$1,000.00 into a Tax Shelter Annuity (TSA) during these additional years of employment. One payment will be made on or before July 15th following retirement. Employees in Group 2 are not eligible to remain on the District's health insurance upon retirement. Their insurance will terminate on August 31st the year of retirement.

NOTE: Please refer to eligibility criteria as described in Article XXIV, Retirement, Part B, Eligibility

Group 3

Employees hired between July 1 of 2008 and July 1 of 2012 will receive \$2,000.00 for each year worked, plus five percent (5%) cumulative interest into a HRA and TSA. For each year worked beyond 2014, the Employee will receive \$1,000.00 in a HRA and \$1,000.00 into a TSA. This payment will be made on or before July 15th following retirement. Employees in Group 3 are not eligible to remain on the District's health insurance upon retirement. Their insurance will terminate on August 31st the year of retirement.

NOTE: Please refer to eligibility criteria as described in Article XXIV, Retirement, Part B, Eligibility

Group 4

For Employees hired after July 1, 2012 the district will invest \$2,000 each year with a 50/50 split between the TSA and HRA accounts for full-time employees. Employees hired at less than full-time will have this amount prorated based on his/her FTE with a 50/50 split between these accounts. In order to be eligible for this investment, the Employee must work for the District the equivalent of fifteen (15) consecutive years at full-time employment and must be eligible for the Wisconsin Retirement System (WRS). Employees in Group 4 are not eligible to remain on the District's health insurance upon retirement. The TSA/HRA will become available by July 15th following retirement. Their insurance will terminate on August 31st the year of retirement.

NOTE: Please refer to eligibility criteria as described in Article XXIV, Retirement, Part B, Eligibility

C. Other

1. The number of days of accumulated sick leave, up to 132 days, shall be multiplied by the daily rate of a substitute teacher to determine the additional insurance benefits for eight (8) years. At the time of retirement, in addition, up to three (3) days of unused personal leave shall be added to the total number of days of accumulated sick leave. Employees with more than 132 cumulative sick leave days prior to the start of the 2011-2012 school year will be allowed to use their total sick days as the basis for determining the maximum allowable, up to 147 days
2. For Group 1, Option 1, this additional retirement benefit amount of accumulated sick leave shall be used to offset increased insurance premiums for eight (8) years. After eight (8) years, any remaining sick leave benefits will be deposited into an Employee Sponsored Post Employment 403 (b) tax deferred retirement account (hereinafter referred to as a "403(b) account"). For Group 1, Option 2 and Groups 2, 3, & 4, sick leave will be paid out over the six years following the date of retirement.

3. For each Employee upon retirement, the School District shall contribute two thousand dollars (\$2,000) into a mutually agreed upon 403(b) account each year for the year of retirement and five (5) additional consecutive years. Employees hired after July 1, 2008, shall not be eligible for this stipend.
4. Where extraordinary circumstances, such as terminal illness, create the possibility that an Employee may not qualify to receive the payments for paragraphs 1 and 3 above, then the District shall make the entire accumulated sick leave and stipend payment into a 403(b) account as a lump sum to the extent allowable by law (and/or tax code) otherwise the balance will be paid to the Employee as taxable income.
5. If an Employee dies, then the District shall pay the remainder of sick days (see number 1 above) to the Employee's life insurance beneficiary in a lump sum. If no beneficiary can be determined, the sick leave payment shall be paid to the Employee's estate in a lump sum.
6. Where two (2) spouses work for the District and qualify for benefits, the District will pay out sick leave as follows:
 - a. Group 1, First Retiring Spouse: The District will contribute the equivalent payment into a 403(b) account equally over eight (8) consecutive years when choosing Option 1 or equally over eight (8) consecutive years into the HRA when choosing Option 2 following the date of retirement.
 - b. Group 1, Second Retiring Spouse, Selection Option 1: The additional retirement benefit amount of accumulated sick leave shall be used to offset increased insurance premiums for eight (8) years.

Group 1, Second Retiring Spouse, Selection Option 2: The sick leave will be paid into the HRA over the eight (8) years following the date of retirement.
 - c. Groups 2, 3, & 4: The first retiring spouse's sick leave will be paid out equally over eight (8) consecutive years into the HRA following the date of retirement.
 - d. Groups 2, 3, & 4: The second retiring spouse's sick leave will be paid into the HRA over the eight (8) years following the date of retirement.
7. If Statutory or regulatory changes legally invalidate the District's contribution to the above referenced 403(b) account, or if statutory or regulatory changes significantly alter the tax savings to either the District or retiree, the District shall immediately determine a replacement benefit that shall be provided to (1) all eligible Employees who retire under the terms of this handbook prior to the replacement benefit, and (2) all Employees who have retired under the terms of this handbook prior to the replacement benefit. Any replacement benefit pursuant to this paragraph shall involve no greater cost to the District than the District contributions defined in the above paragraphs of this handbook. Accordingly, this handbook grants professional retirees accepting the benefits provided herein with a right to receive (1) the District's contributions to the 403(b) account defined in paragraphs a and c of this Section so long as such contributions are legally valid; or (2) the replacement benefit pursuant to this paragraph.

This paragraph serves as notice to Employees that benefits defined in this handbook are subject to changes by future handbooks as determined by the Board. This paragraph does not apply to employees who already have a Board approved retirement agreement unless required to do so by statutory or regulatory changes.

8. The terms of this section shall be incorporated into each individual retirement agreement between the District and each professional retiree, and a copy shall be included for each retiree.
9. Where two (2) spouses work for the District and qualify for benefits under Group 1:

- a. When one (1) spouse retires, the health insurance shall be transferred to the working spouse. The employees may choose which exit rate they wish to receive at the time of the first spouse's retirement. Their choice will be included in the first retiring spouse's retirement agreement.
- b. When the second spouse retires, that spouse shall retire with health insurance benefits as stated in the retirement agreement of the first retiring spouse. Accumulated sick leave will be paid out as outlined in subsection f. This is subject to the Employee meeting the eligibility requirement of professionals who are regular full-time Employees, are holding a professional degree, are at least fifty-five (55) years of age, and have taught at least fifteen (15) consecutive years in the District.

Where two (2) spouses work for the District (Group 2):

- a. When one (1) spouse retires, the health insurance shall be transferred to the working spouse.
- b. The first retiring spouse's accumulated sick leave will be deposited into the HRA equally over eight (8) years following the date of retirement. The first retiring spouse shall not receive any payment of his/her health insurance until the second spouse retires. When the second spouse retires, his/her prorated exit rate and accumulated sick leave are paid into a HRA equally over eight (8) consecutive years. This is subject to the Employee meeting the eligibility requirement of professionals who are regular full-time Employees, are holding a professional degree, are at least fifty-five (55) years of age, and have taught at least fifteen (15) full-time equivalent years in the District.

Where two (2) spouses work for the District and both qualify for benefits under different groups, the spouse carrying the health insurance will determine the group for the retirement benefit.
