INTRODUCTION TO YOUR EMPLOYEE HANDBOOK

The School District of Rhinelander (hereinafter may be referred to as “District”) is committed to working and communicating as a team to provide a safe and positive learning environment for all students. By providing a quality education that promotes optimal academic and emotional growth, all District employees empower individuals to become caring, competent, responsible citizens, enabling them to succeed in an ever changing world.

The School District of Rhinelander has designed this Employee Handbook for Support Staff (hereinafter may be referred to as “handbook”) to acquaint support staff (hereinafter may be referred to as employees) with the District’s employment policies. While the School District of Rhinelander believes in the policies described in this handbook, they are not conditions of employment. Rather, they are presented to support staff as guidelines and for their information. Nothing in this handbook is intended to create an expressed or implied contract of employment with the District.

Please take the time to read this handbook carefully and become familiar with its contents. The Board encourages all employees who have questions about a particular provision of this handbook to discuss the matter with their immediate supervisor or, if necessary, the building administrator.

ARTICLE I ADMINISTRATION

Section 1.1 Policy Governance Statement

The School District of Rhinelander Board of Education (hereinafter may be referred to as Board) governs the District solely through its policies, which are divided into the following sets:

- A. Results policies that set goals and expectations for the District.
- B. Board-Superintendent relations policies that define how the Board interacts with the Superintendent.

In addition, the Board sets policies regarding its own function through its governance process and operating procedures policies.

This handbook is approved by the Board, in compliance with these policies. As such, the District has the right to amend and add to this handbook at its discretion. The daily operations of the District are under the authority of the District's administration.

Section 1.2 Management Rights

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Wisconsin and of the United States, including, but without limiting the generality of the foregoing, the right

- A. to the executive management and administrative control of the school system and its properties and facilities, and the school-related activities of its employees;
- B. to hire all employees and subject to the provisions of law to determine their qualifications and the conditions for their continued employment, their dismissal or demotion (i.e. The Board may withhold any increase in salary when the quality of service rendered does not justify such an advance. An annual increase in salary is based upon job performance.), and to promote and transfer all such employees;
- C. to establish grades and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
- D. to make final decisions upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aides of every kind and nature;
- E. to determine class schedules, the hours of instruction, the duties, responsibilities and assignments of all support staff members, and other employees with respect thereto, non-teaching activities, and the terms and conditions of employment, and to set policies for emergency nursing services.

Nothing contained herein shall be considered to deny or restrict the Board of its right, responsibilities, and authority under the laws of the State of Wisconsin or any other national, state, county, district, or local laws or regulations as they pertain to education.

Section 1.3 Administration

The Superintendent shall be responsible for ensuring the efficient and effective implementation and the administration of not only the policies and procedures outlined in this handbook, but implementation of the policies and resolutions as adopted by the Board. The Superintendent may delegate such function as deemed necessary for the effective and efficient implementation of this system. The Superintendent or his/her delegate shall develop administrative procedures to implement the policies and procedures within this handbook.

ARTICLE II EMPLOYEE STATUS

This handbook is intended to provide information for full-time 12-month support staff, part-time 12-month support staff, full-time school term support staff, part-time school term support staff, and temporary employees employed by the District. For specific definitions of each position, please contact the District. **All support staff are “at will” employees**, which means that employment can be terminated at any time without prior notice.

Generally, support employees will be defined by terms similar to the following:

- *Full-time twelve-month support staff.* An employee who normally works at least forty (40) hours per week. Regular twelve month full-time employees who work less than forty (40) hours per week during school vacation periods shall not be considered part-time employees during this period.
- *Part-time twelve-month support staff.* An employee who normally works less than forty (40) hours per week.
- *Full-time school term support staff.* An employee who normally works at least forty (40) hours per week during the school year. This includes employees who work extended contracts beyond the academic school-term.

ARTICLE III EMPLOYMENT POLICIES

Section 3.1 Equal Opportunity

The District provides equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, sex, sexual orientation, national origin, age, disability, genetic information, citizenship, status as a Vietnam-era, special disabled veteran, or other veteran who served on active duty during a war, campaign, or expedition, for which a campaign badge has been authorized in accordance with applicable federal laws. In addition, the District complies with applicable state and local laws governing nondiscrimination in employment in every location in which the District has facilities and employees. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, benefits compensation, and training.

The District has adopted a policy of "zero-tolerance" with respect to employee harassment. In this connection, the District expressly prohibits any form of employee harassment based on race, color, religion, sex, sexual orientation, national origin, age, disability, genetic information, citizenship, status as a Vietnam-era, special disabled, or other covered veteran, or status in any group protected by state or local law. Improper interference with the ability of the District's employees to perform their expected job duties is not tolerated.

Section 3.2 Reasonable Accommodation

It is the District's policy to comply with applicable laws providing for nondiscrimination in employment against individuals with disabilities. An employee who believes he/she has a disability and may require an accommodation must contact the Superintendent.

Section 3.3 Employee Privacy Policy

The District is sensitive to the need of protecting the personal and private information of applicants and employees. It is our policy to ensure that unauthorized individuals do not have access to such information. Employees are asked to provide personal data at hiring, and throughout their employment, for the purpose of compensation, fringe benefits and other human-resource-related tasks. When such data is requested, or as soon as possible thereafter, the District will notify its employees about the purposes for which such data is collected and used. Employees wishing to have personal data released, such as for employment confirmation on a loan application should provide a written release to the party requesting the information to allow such information to be released. The employee should also inform the District Office about any third parties who may access the personal data.

The District will not provide personal data to any other third party or use personal data for any purpose other than that for which the data was originally collected without the prior written consent of the employee. Exceptions are to provide compensation or fringe benefits, or to satisfy government reporting requirements.

Section 3.4 Code of Ethics Statement

Integrity is expected and required of every employee. Integrity is an essential element of every transaction with other employees, District representatives, suppliers, and customers. Integrity is equally important in the accuracy of our public relations, in the recording of our business transactions, and in the performance of our service.

The District is committed to conducting its business affairs in accordance with the law and the highest ethical standards at all times. Its reputation is determined by the example set by management and the character and good judgment of each employee and District representative. All employees and District representatives are expected to conduct themselves in the highest ethical manner.

- Employees and District representatives are to treat others with respect without regard to race, gender, color, religion, national origin, age, disability, sexual orientation, or marital status.
- Employees and District representatives are to perform their duties with honesty and integrity.
- Employees and District representatives are to exercise independent judgment free from any outside influence.
- Employees and District representatives are to do their utmost to comply with all applicable laws and regulations of federal, state, and local governments.
- Employees and District representatives are encouraged to promptly report any discriminatory behavior, sexual harassment, illegal activities, or other violations of this code.
- Management will take reasonable measures to protect the reporting employee from any retaliatory, harassing, or abusive behavior.
- Management at all levels is responsible for adherence to these principles and will vigorously pursue all appropriate remedies where these principles are violated.

If you become aware of any violation of this code or are uncertain as to the appropriate action that should be taken, we encourage you to promptly report the situation to your supervisor or Superintendent.

Section 3.5 Personnel Files

Evaluations shall be furnished to any employee upon his/her request. Personnel files shall be available to employees in accordance with Wisconsin Statute 103.13(2).

Section 3.6 Sexual and Other Unlawful Harassment

It is the District's policy that employees and others acting on the District's behalf are entitled to respectful treatment in the workplace. Being respected means being treated honestly and professionally, with unique talents and perspectives valued. A respectful workplace is about more than compliance with the law. It is a working environment that is free of inappropriate behavior of all kinds. Each employee should understand that incidents of harassment and inappropriate behavior will not be tolerated in the District.

With respect to sexual harassment, the District prohibits the following:

- Harassing Conduct
Harassment is unwelcome conduct toward an individual because of his or her race, color, sex, age, sexual orientation, religion, national origin, disability, or any other legally protected status, when the conduct creates an intimidating, hostile, or offensive work environment that causes work performance to suffer or negatively affects job opportunities. Examples of harassment that may violate the law and will violate this policy include:
 - Oral or written communications that contain offensive name-calling, jokes, slurs, negative stereotyping, or threats. This includes comments or jokes that are distasteful or targeted at individuals or groups based on race, color, sex, age, sexual orientation, religion, national origin, disability, or any other legally protected status.
 - Nonverbal conduct, such as staring, leering, and giving inappropriate gifts.
 - Physical conduct, such as assault or unwanted touching. Visual images, such as derogatory or offensive pictures, cartoons, drawings, or gestures. Such prohibited images include those in hard copy or electronic form.
- Sexual Harassment
"Sexual harassment" means unwelcome sexual advances, unwelcome requests for sexual favors, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical conduct of a sexual nature. Sexual harassment includes conduct directed by a person at another person of the same or opposite gender. Unwelcome verbal or physical conduct of a sexual nature includes, but is not limited to, the deliberate, repeated making of unsolicited gestures or comments of a sexual nature; the deliberate, repeated display of offensive sexually graphic materials which is not necessary for business purposes; or deliberate verbal or physical conduct of a sexual nature, whether or not repeated, that is sufficiently severe to interfere substantially with an employee's work performance or to create an intimidating, hostile, or offensive work environment.

How To Report A Violation

Do not assume that the District is aware of the problem. If an employee experiences or witnesses harassment in the workplace, he/she is to report it immediately to his/her supervisor or the Superintendent. If the supervisor or Superintendent is unavailable or the employee believes it would be inappropriate to contact that person, he/she should immediately contact any other

member of management. The employee can raise concerns and make reports without fear of reprisal or retaliation.

Investigation And Response

If an employee reports a complaint of harassment or inappropriate behavior, the report and concerns will be investigated. Where there has been a violation of policy, the District will take appropriate action to try to avoid future violations. In appropriate cases, disciplinary action (up to and including termination) will be taken against those violating the Anti-Harassment Policy. The District will inform parties about the status of reviewing their complaints. To respect the privacy and confidentiality of all people involved, the District might not share specific details of the discipline or other action taken.

Inappropriate Behavior

The District's goal is to have a work environment where all employees treat each other respectfully and professionally. Any unprofessional or disrespectful behavior, even if it does not rise to the level of "harassment," interferes with that goal and will not be tolerated. The District reserves the right to respond to inappropriate behavior even where no one has complained or indicated they have been offended.

Management Responsibility

Any supervisor or manager who becomes aware of possible sexual or other unlawful harassment must immediately advise the Superintendent or any member of management so it can be investigated in a timely and confidential manner.

Application

This policy applies to all employees and to anyone else doing business for or with the District. This includes customers, vendors, suppliers, and contractors.

The District prohibits any form of retaliation against any employee for reporting a violation of this policy, filing a complaint under this policy, or for assisting in a complaint investigation. However, if, after investigating any complaint of harassment or discrimination, the District determines that the complaint is frivolous and was not made in good faith or that an employee has provided false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave the false information, up to and including an unpaid suspension or termination.

Section 3.7 Acceptable Internet Use

It is the policy of the School District of Rhinelander to expect that staff will use the Internet system and e-mail in a responsible manner. Accordingly, the District has established procedures for the use of the Internet system and E-mail, along with rules governing staff use in accessing these systems. Staff must realize that use of this electronic information resource is a privilege, not a right.

Violations of the procedures or rules will result in appropriate disciplinary action up to and including written reprimand, suspension without pay, and possible discharge.

Procedures for Use

- A. The District provides staff with access to the Internet for the purpose of fulfilling the District's mission of learning and public service operations. Uses are to be only related to the programs or operations of the District.

15. use the Internet and/or e-mail for personal gain for more than occasional personal use including the sending of personal messages;
16. read mail or files without the owner's permission; or,
17. intentionally access Internet sites containing sexually explicit or hate materials. Law enforcement officials will be exempt from this during investigative procedures.

AUTHORIZED REPRESENTATIVES OF THE DISTRICT, FROM TIME TO TIME, MAY MONITOR THE USE OF SUCH TECHNOLOGY. SUCH MONITORING MAY INCLUDE, BUT IS NOT LIMITED TO, ACCESSING RECORDED MESSAGES AND PRINTING AND READING DATA FILES OF USERS. IN ADDITION, WEB SITES VISITED MAY BE RECORDED AND MONITORED.

In addition to revocation of access, any illegal use, vandalism, or intentional damage will result in referral for prosecution to the full extent of the law.

Section 3.8 Employee Conduct and Work Rules

To ensure orderly operations and provide the best possible work environment, the District expects employees to follow rules of conduct that will protect the interests and safety of all employees and the organization.

Section 3.9 Workplace Safety

The District will provide to its employees necessary safety equipment to properly perform all work tasks. Employees are to contact their immediate supervisor to obtain a piece of equipment they feel would better protect them during the course of their employment.

Section 3.10 Workplace Violence Protection

The District is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, the District has adopted the

following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises.

All employees, including supervisors and temporary employees, should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, “horseplay”, or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are prohibited from the premises of the District.

Conduct that threatens, intimidates, or coerces another employee, a customer, or a member of the public at any time, including off-duty periods, will not be tolerated. This prohibition includes all acts of harassment, including harassment that is based on an individual’s sex, sexual orientation, race, age, and any characteristic protected by federal, state, or local law.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the immediate supervisor or any other member of management. This includes threats by employees, as well as threats by customers, vendors, solicitors, or other members of the public. When reporting a threat of violence, the employee should be as specific and detailed as possible. All suspicious individuals or activities should also be reported as soon as possible to a supervisor. Employees are not to place themselves in peril. If an employee sees or hears a commotion or disturbance near his/her work station, he/she is not to intercede or see what is happening.

The District will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment.

The District encourages employees to bring their disputes or differences with other employees to the attention of their supervisors or to the Superintendent before the situation escalates into potential violence. The District is eager to assist in the resolution of employee disputes, and will not discipline employees for raising such concerns.

Section 3.11 Dress Code

Support staff will dress in a professional manner. Jeans (except receiving and maintenance department) and t-shirts are not considered professional attire. All teaching assistants are required to wear shoes with a back for safety reasons. Clothing that reveals too much cleavage, back, chest, stomach or underwear is not appropriate. Hats, flip flops and slippers are not allowed. Torn, dirty, or frayed clothing is unacceptable. Any clothing that has words, terms, or pictures that may be offensive to other employees is unacceptable. Examples of acceptable wear includes the following: Khaki, dress, twill or cotton pants, and sweaters, twinsets, cardigans, or polo/knit shirts (any type of shirt with a collar). Fridays may be “casual dress” days. Jeans are acceptable on casual Fridays and other days that are designated by the District as ‘special event’ days. Even on casual days, professional image should be maintained at all times. T-shirts, sweatshirts (exception on spirit

days), and jeans with holes are unacceptable. Acceptable casual Friday wear includes clean jeans in good condition with a sweater or polo shirt.

Employees are asked to wear clothing that will encourage and generate school/community spirit on spirit days. Appropriate spirit day clothing includes:

- School colors
- Hodag clothing
- Packer or Badger clothing (for a big upcoming game)

On field trips to CAVOC (Cedric A. Vig Outdoor Classroom), staff should follow the casual dress code.

When the dress code policy is not followed:

- First offense - verbal warning
- Second offense - sent home without pay
- Third offense - disciplinary action up to termination

Section 3.12 Vacancies, Transfers and Reassignments

All new postings can be found on WECAN, the internet hiring system used by the District. Such posting shall show qualifications and assignment.

Appointment and promotion to positions in the District shall be based upon merit, qualifications, and the needs of the District. When possible, the District shall endeavor to fill job vacancies and new positions by promotion with qualified employees with successful job performance histories from within the organization. Any employee wishing to be considered for transfer from one position to another will notify the Director of Personnel or his/her designee in writing within the time limits outlined on the job posting form. A present employee applying for a position may be interviewed based on qualifications.

Employees who do not give the District at least two (2) weeks advance notice of intent to quit will have three (3) days' pay deducted from their last paycheck.

Section 3.13 Drug and Alcohol Testing

The School District of Rhinelander reserves a right to do random drug and alcohol testing. Refusal to do random drug and alcohol testing is subject to termination. All testing will be conducted by a licensed independent medical laboratory, which will follow testing standards established by the state or federal government.

Any support staff member whose physical characteristics and behavior suggests that he/she may be under the influence of drugs or alcohol shall be immediately taken by a supervisor or his/her designee to a local health facility for official testing and diagnosis. Refusal to do the testing is a subject to the termination.

ARTICLE IV RECOGNIZED ABSENCES FROM WORK

Section 4.1 Sick Leave

- A. Sick Leave Accumulation: All nine (9) month employees accumulate ten (10) days per year with a total accumulation of one hundred twenty (120) days. All twelve (12) month employees accumulate twelve (12) days per year with a total accumulation of one hundred fifty (150) days. As employees move to new positions accumulated hours are maintained. Employees continue to accrue hours in the new position until the total number for accumulation has been reached.

The Sick leave accumulation will be converted to hours. Sick leave records will be recorded in hours.

- B. Sick Leave Usage: Up to three (3) days of accumulated sick leave may be used per occurrence in the event of serious illness of a member of the immediate family of any employee. Immediate family shall be defined as spouse, parents, sibling, child, spouse's parents, foster parents, or grandchildren.

Up to one (1) day sick leave may be used per occurrence in the event of serious illness of the employee's sister-in-law or brother-in-law, grandparent, or spouse's grandparent.

The District would have the right in the event of use for serious illness in the immediate family (defined above) to require a physician's statement that the employee's presence is necessary.

In no event shall this Article prevent an employee from using their Wisconsin or Federal Family Medical Leave Act (FMLA) provisions.

- C. Notice: At least sixty (60) minutes in advance of their regularly scheduled starting time, employees unable to report to work at the designated time due to illness shall notify their immediate supervisor or the school office that their payroll check is delivered to.
- D. Advance Notification: In the event that an employee is aware in advance that sick leave benefits will be needed or due, it shall be the duty of the employee to notify the Director of Business Services as far in advance as possible, in writing, of the anticipated time and duration of such sick leave, the reasons for requesting such sick leave, and medical certification that the employee will be unable to perform his/her normal work function. Employees will be required to begin using sick leave on the date after which their doctor certifies that they are medically unable to perform their normal duties. An employee on sick leave is required to notify the Director of Business Services at the earliest possible time of the anticipated date on which the employee will be able to resume his/her normal work duties. The Director of Business Services may require a certificate from the employee's physician that an employee on sick leave is medically unable to perform his/her normal work duties. In the event that an employee on sick leave fails to return to work as soon as he/she is medically able to perform his/her normal work duties, he/she may be deemed to have resigned his/her position from the District and have waived all employment rights. Sick leave benefits under this provision shall be paid to the employee on sick leave only for the actual work days missed due to medical inability to perform his/her normal duties.

- E. Unpaid Medical Leave: In the event that an employee exhausts his/her accumulated sick leave and is not medically able to resume his/her normal duties, he/she may be placed on medical leave of absence without pay for a period not to exceed sixty (60) working days. Unpaid leave shall not be taken until approval has been given by the immediate supervisor/building principal and Director of Business Services. Thereafter, the Board will consider and may extend such medical leave of absence at its sole discretion if the employee requests, in writing, that the Board renew such medical leave of absence. Renewal or non-renewal of said unpaid leave shall not be subject to the grievance procedures of this handbook. No benefits except seniority shall accrue to the employee during medical leave of absence.
- F. Holiday During Sick Leave: In the event that a paid holiday falls within a period when an employee is on sick leave, it shall be charged as a paid holiday and not deducted from the employee's paid sick leave.
- G. Abuse: Any employee obtaining sick leave benefits by fraud, deceit, or falsified statements shall be subject to disciplinary action including, but not limited, to suspension or dismissal.
- H. Definition: "Day" or "days" as used in this Article shall be defined as the number of hours the employee is regularly scheduled to work.

The Superintendent or his/her designee, in his/her sole discretion, shall have the right to extend provisions of A and B above, given extenuating circumstances asked for in writing and confirmed.

Section 4.2 Bereavement Leave

- A. Up to five (5) days of leave with pay may be used per occurrence in the event of the death of a member of the immediate family of any employee. Immediate family shall be defined as spouse or significant other, parents, sibling, child, step-child, spouse's parents, foster parents, grandchildren, or other relatives as approved by the District. Bereavement leave shall be deducted from sick leave.
- B. Up to three (3) days of leave with pay may be used per occurrence in the event of the death of the employee's sister-in-law, brother-in-law, grandparent, spouse's grandparent, close friend or other relatives as approved by the District. Bereavement leave shall be deducted from sick leave.

The Superintendent or his/her designee, in his/her sole discretion, shall have the right to extend the provisions of A. and B. above given extenuating circumstances asked for in writing and confirmed.

Section 4.3 Military Leave

Employees who are enrolled members of the reserve components of the Armed Forces of the United States are entitled to a leave of absence as is necessary to enable them to attend field training exercises or military deployments which have been duly ordered. Such leaves shall be without pay. Employees shall be allowed to use accumulated leave time while fulfilling their military obligations.

Employees upon returning from their military obligations shall return to their former positions with the District without loss of credit for time worked and other benefits as provided by law.

Section 4.4 Family and Medical Leave

The District will comply with applicable state and federal laws regarding family and medical leave.

Please see Appendix A for more information.

Section 4.5 Emergency Unpaid Leave

- A. The District may grant a leave of absence in emergency situations without pay to any employee upon written request to the District, with at least two (2) weeks advance notice, if possible. Such requests may be granted for up to a period not to exceed six (6) months. In no case shall a leave of absence be granted for the purpose of accepting or securing other employment or for self-employment.
- B. Unpaid Leave. If the employee wishes to continue health insurance and disability insurance coverage, such coverage may be continued, provided the full monthly premium is paid in advance by the employee. However, the District will pay the insurance premiums for the first five (5) days of unpaid leave per year.

The number of unpaid days will be limited to five (5) on any one occasion, except in rare instances in which unusual events occur or those "once in a lifetime" experiences happen.

Section 4.6 Jury Duty

Employees who receive a summons to serve on jury duty will be granted jury duty leave. Employees must give reasonable advance notice of their intended absence for jury duty. If an employee is dismissed from jury duty on any given day prior to the end of his/her regularly scheduled working hours, he/she shall report to work for the balance of the working day.
