

**TITLE I**  
**SCHOOL DISTRICT OF RHINELANDER**  
School Year \_\_\_\_\_

Dear Parents/Guardians of \_\_\_\_\_.

Your child is one of the students selected to participate in the Title I Program this school year. This is a great opportunity for your child to receive extra help in reading during the school day. Your child will be provided additional help in the form of small groups or on a one-to-one basis. Continued participation in this program will depend on your child's progress. The help your child will receive is in addition to the regular classroom instruction.

Title I is a federally funded program designed to help students to successfully achieve state standards in education. In the School District of Rhineland, we use Title I funds to offer extra support to students who are struggling in the area of literacy. Title I also offers various family night activities throughout the year.

Since you are an important part of this program, you will be invited to attend meetings to become better acquainted with the program and to celebrate your child's successes! Your support, encouragement, and involvement are essential in your child's education. We hope to see you often throughout the school year, at the Title I parent meetings, and special events.

We believe that communication is very important to your child's success. Please contact your child's Title I teacher or the Title I Coordinator if you have any questions.
