

# SCHOOL DISTRICT OF RHINELANDER

## Monthly Child Find Screenings

Information re: Child Find Screenings in the School District of Rhineland. Screenings are for children ages 3 years, 0 months to 5 years, 11 months.

**The first Tuesday of the month during the school year,** we conduct screenings at Crescent Elementary School (3319 Boyce Drive, Rhineland). We have time slots available at 3:15 PM, 4:00 PM and 4:45 for children that are three years of age. Each screening takes approximately 45 minutes, which includes time to review results and recommendations with parents and/or guardians. We have two teams conducting screenings to accommodate up to 6 children per month.

**The first week of the month during the school year,** we conduct screenings within the course of the school day for 4K and kindergarten students. Once our team completes the screening, parents receive a follow up call and/or letter outlining the results and recommendations.

To schedule a screening, parents should contact Michaela Johnson, School Psychologist, via phone at 715-365-9120 ext. 3212 or via email at [johnsmic@rhineland.k12.wi.us](mailto:johnsmic@rhineland.k12.wi.us).

There is no consent form that needs to be signed. **This is a screening, NOT an evaluation for Special Education.**

We do NOT screen for isolated skill areas (for example, we do not conduct a screening for articulation only). Child Find Screenings are comprehensive in nature and address:

- Health and Physical Development (sleep habits, dressing, toileting, eating, writing, climbing, walking, running)
- Social and Emotional Development (expressing feelings, forming friendships, resolving conflicts)
- Language and Communication (listening and understanding)
- Approaches to Learning (curiosity and excitement about learning, persistence, approaches taken to learn new information)
- Cognition and General Knowledge (hypothesizes and making predictions, forms explanations based on trial-and-error/observations/explorations, understands color and number patterns)

Please contact Michaela Johnson with any questions or to schedule an appointment. We look forward to working with you and your child!
