HODAG CONFERENCES

Junior students and/or their parent(s) are invited to schedule a HODAG Conference, an individual meeting with their assigned counselor. These conferences are approximately 20-30 minutes and are available by appointment during the school day between 7:45 and 3:00.

We realize many parents are working during the school day and may not be able to attend. We want to assure you that an individual meeting will be held with the student even if a parent is unable to attend.

The HODAG Conference is an opportunity to review graduation progress, discuss course selections for senior year, gain information about postsecondary planning and admission requirements, and ask questions that you or your child may have. This is not a parent teacher conference or a meeting to discuss discipline issues.

To schedule an appointment, please call Student Services at 715-365-9517.

Xello

Rhineland High School offers students 9-12 the Xello software that helps students navigate their academic and career path while at Rhineland High School. Through Xello, students can take an interest inventory, plan class trajectory, explore careers, personality, and post-secondary options. Many of these activities will be scheduled through your student's homeroom. Any questions, please contact your student's counselor.

FLEX - What is it???

This year every Tuesday-Friday students have the opportunity to sign up for various "FLEX" offerings, during the school day. So far, some of the options staff have done include: homework/class help, coloring, weight lifting, learn to play the guitar, walking, comedy, board games, and more!

This is a great opportunity for your student to get that extra help in a subject they might be struggling with, relax a little bit, or try something that they haven't had the ability to try before!

Additionally, there are opportunities to hear from colleges, the various military branches, as well as local businesses during this time!

COLLEGE VISITS

Throughout the year, representatives from various colleges and military services visit Rhineland High School to speak with students regarding post-secondary planning, as well as talk one-on-one with interested students. All representatives are located in the commons during lunch shifts, as well as FLEX time.

Please go to the Rhineland High School website to view the daily announcements as more representatives will likely be visiting.

Mindfulness

This Youtube page, [Mindful Movement](#), includes videos on yoga, meditation, relaxation and more. Helpful if you just need to take a break!

Also, [Calm.com](#) is useful for relaxation and meditation, along with various other beneficial sections...and has an app!

FREE TUTORING

**Students can attend Tutoring, after school from 3:30-5:00
Monday-Thursday in the LMC!**

Additionally, this free 24/7 online help for assistance in Algebra, Geometry, Transition to Algebra 2, Statistics, Calculus, Biology, Chemistry, and Physics! <https://www.khanacademy.org/>

ACT & ASPIRE Practice Tests

All Freshmen, Sophomores (ASPIRE) and Juniors (ACT) will test in February/March for their respective tests. In an effort to become more familiar with the tests and their styles of questions, students will be using Method Test Prep to familiarize themselves.

TRANSCRIPTS

Rhineland High School utilizes Parchment for ordering transcripts. This is a secure, paperless way to send transcripts to post secondary schools. Transcripts can be requested starting your Junior year of High School.

Students must first obtain a registration code from Student Services and then register through Parchment.

When you have your code, click on the link below or you may go to the Rhineland High School, click on "Transcripts" under "Quick Links"
